

Qualification Procedure for
European Championship Seniors 2003
Pan American Championship Seniors 2003

In order for a rider/horse to be qualified to participate in a Senior Championship, both rider and horse (not necessarily as a combination) must have completed an FEI Three star CEI (140 – 160 km) in one day or over 2 days (80 km per day and over) at a minimum speed of 12 kms per hour or finished in the top 50 % of finishers at a FEI three star CEI from the 1st January two years prior to the nominated entry date of the Championship.

However, in exceptional cases, the Endurance Committee may accept different qualification standards.
