2. *CEIOs*

2.1. They must comply with the requirements laid down in the General Regulations and the Rules for Endurance Riding.

2.2. At a CEIO, there must be an individual and a team classification. Each nation may enter only one team. A minimum of three teams is necessary for the team competition to be considered as the official team competition. Each team must be composed of a maximum of four competitors of the same nationality. The three best results will be considered for the final classification. A team of three competitors may be admitted. In this case, the marks of all three are taken into consideration for the final classification, provided that all three have completed the ride.

3. *Championships*

The Endurance Ride Championships must comply with the requirements laid down in the General Regulations and the Rules for Endurance Riding.

Qualification

1. Any person from the year in which he/she reaches his/her 18th birthday is allowed to take part in all Endurance Rides, either as an individual or as a member of a team.

2. Juniors, from the year in which they reach their 14th birthday and who are duly authorised by their National Federation, may take part in all International Endurance Rides.

3. To be qualified, horses must be at least 6 years old. However, for CEIOs and Four Star Events, horses must be 7 years of age. Mares obviously in advanced pregnancies, or with foal at foot cannot be entered.

4. *Qualification Procedure*

4.1. In order for a rider/horse to be qualified to participate in a Four Star Ride, both rider and horse (not necessarily as a combination) must have completed either an FEI Four Star ride or an FEI Three Star Ride during the period as of the 1st January two years prior to the date of the nominated entries of the Championship at a minimum speed of 12 kms per hour.

4.2. If the rider/horse has not qualified as per 4.1 above, the rider/horse (not necessarily as a combination) must have completed at least a 120 km FEI Endurance Ride during the period as of the 1st January during the year prior to the Championship until the date of nominated entries for the Championship at a minimum speed of 12kms per hour.

4.3. However, in exceptional cases, the Endurance Committee may accept different qualification standards.
