### ▪ **Qualification Procedures 2003**

**Bulletin FEI 6/2002, page81**

#### **“Qualification Procedure for European Championship Seniors 2003 / Pan American Championship Seniors 2003-01-03**

In order for a rider/ horse to be qualified to participate in a Senior Championship, both rider and horse (not necessarily as a combination) must have completed an FEI Three star CEI (140 – 160 km) in one day or over two days (80 km per day and over) at a minimum speed of 12 km per hour or finished in the top 50% of finishers at a FEI three star CEI from the 1 January two years prior to the nominated entry date of the Championship.

However, in exceptional cases, the Endurance Committee may accept different qualification standards.”

#### **“Qualification Procedure for World Championship Young Riders**

For Junior and Young Rider Championships, and all other Four Star rides the horse and rider not necessarily as a combination must have completed a ride of a similar distance as the Championship or Four star ride as of 1 January during the two years prior to the closing date for the nominated entries of the event

However, in exceptional cases, the Endurance Committee may accept different qualification standards.”
