\* Gold Medal achieved under the influence of prohibited substances (positive A- and B-Sample of the horse)

#### **A personal remark:**

I strongly believe that the most admired rider and sportsman worldwide would be HH Sheik Hazza Bin Sultan Bin Zayed Al Nayan (UAE) if he would refuse the gold medal after having successfully proved to the world that the legal system unfortunately cannot really protect the welfare of the horse and the idea of fair play in the sport.

What a great action this would be !
