- **Schedule J/ YR World Championship, Pratoni del Vivaro**

Schedule to be found on website: www.Portail-Endurance.com

Link: Championnat du monde Junior, Pratoni del Vivaro

The schedule is published in english.

- **Endurance Rules Revision**

The recently reviewed rules for Endurance in their proposed new form have been sent by the FEI to all FEI Endurance Contacts. Those will have to review them and send any comments or suggestions to the FEI Endurance Committee. The Committee will meet on the 2nd September 2003 to consider the proposals in order to finalise the new rules for 2004.

The rules revision represents a fast and highly effective work of the FEI Endurance Committee to adapt the rules to the Endurance sport as it is today and to solve some or even most of the problems which have been discussed during the last two years.

If you have any questions concerning details (i.e. weight, qualification, vet criteria etc.), please ask the designed FEI Endurance Contacts (most of them Chefs d'Equipe and Team Vets) of your country.
