**Welcome!**

The Aachen-Laurensberger Rennverein e.V. (ALRV) and the German Equestrian Federation (FN) are delighted to have been chosen to host the FEI World Equestrian Games Aachen 2006. Twenty years after the last World Championship in jumping in Aachen, Germany will again welcome the equestrian world.

On the pages that follow you will find all the pertinent information regarding today's preeminent horse sport competition: The World Championships comprising seven distinct disciplines.

As organizer of the fifth FEI World Equestrian Games, we are excited about the fascinating challenge ahead. We wish to express our deepest thanks to North Rhine-Westfalia and to the city and the district of Aachen for their helpful support without which a successful bid would not have been possible.

## Online Entry System

- There will be an online entry system (Hippobase), which has already been applied at European Jumping Championships 2003 Donaueschingen and will be applied at San Patrignano 2005.
- Online entry system will be tested at the CHIOs 2005/2006 and at the Test Events Endurance and Eventing.
- We kindly ask the secretariats of the National Federations to support our efforts in testing this online entry system.
- This system also includes the registration for accommodation and accreditation of the team members.
